What is important to us (our values):

We are committed to providing our children with an wonderful and enriching educational experience that is challenging, stimulating, and based on fun and enjoyment. We want to provide our pupils with:

- teaching of a high quality which is planned for each child, using excellent resources and specialist approaches.
- a broad and balanced curriculum which stimulates their interest in a wide range of learning opportunities.
- professional staff that act in a positive way to develop relationships for learning.

Castle School aim to provide all families and staff with a purposeful and friendly organisation that:

- values all who learn, work in or visit the school.
- supports all staff to use their skills fully and to learn new ones.
- provides clear leadership and effective management.
- ensures the school is an important part of the local and national communities.

Here we look at the whole person, we look to meet the educational, well-being and therapeutic needs of each pupil. Each of our staff members, our pupils and their family members are part of our school learning community. They all come together to help to make the school a special place where we are committed to our learners.

Who we offer this service to: Children and young adults (3 to 19) who have an Education Health Care Plan, we are an Area Special school for children and young people requiring specialist provision, where their primary need is either Communication and Interaction, Cognition and Learning, or Sensory and/or Physical.

How and when we do it: The school day runs from 8.50 to 3.20pm, Monday to Friday.
