

things know visual touch support
help small distractions learning people group
work communicate schedule familiar earn choice interested creative space
work prompts earn something tokens end quiet reward
work prompts communicate adults PECS board expected
work prompts communicate adults PECS board expected

KS1

prompts reward motivated tactile something learning
hold visual time processing see things touch adult supported
happy calm

KS2

things making helped movements effects puzzles computer
take activities turn new learn e.g. whiteboard explore
clay use sensory see practical complete shadow
mark

I work best

objects big work around group
front activity really SuperTalker play
time clearly see feels first real
like floor hen run

KS 3

adult
group 1:1 take need modelled given work gloves
small modelling explaining example
