

Sensory

Sensory story /massage story

'What's in the bag' hide objects in a bag or under a cloth and then make it sound, What can you hear?

Explore glow sticks in water play or a bath

Hide light up toys in different textures or under different materials.

Make a pull the string box, attach different noisy items to a string inside the box, pull the string and listen to the sounds it makes. See EFL for video.

Understanding the world

Around the house what light and sound sources can you find?

Can you count how many of each you have found? Can they be sorted by colour/sound?

Create a band or disco in your home. Play fireworks on youtube and listen to the sounds/watch the colours.

Physical

Dancing to music

Pretend to be animals from the story moving loudly and quietly, making noises.

Shadow dancing

Dancing using torches or coloured material

Art and craft

Firework pictures

Using plastic bottles or kitchen/toilet roll tubes, cut slits into tube and use as stamp to print fireworks.

Make musical instruments

Using recycling from your home make instruments with rice/split peas/dried lentils/pasta to make noise.

Use a plastic drinks/plastic wallet/food containers bottle to cut out shapes and paint then stick onto window to catch the sun.

Maths/literacy

Counting musical instruments, things that glow.

Sorting food by sound or colour

Matching game/sound bingo draw pictures or use bingo mats on EFL of different sounds either play pairs or bingo.

Read the story, look at our videos or find on youtube using links.

Writing with neon pens or moving a torch on dark paper or in a dark room.

Find initial sounds

Retell story Polar bear, Polar bear what do you hear?
