Castle School
Cambridge

Dear Families

What a glorious sunny start to the new season. We hope you are enjoying the weather as much as our students and staff are.

We've had another fabulous week in school with many trips out and many more planned.

Castle School Shop

Last term we shared the exciting news that Castle School is going to have a shop in Arbury Court.

This is an amazing opportunity for us to provide all our students with structured, safe and valuable work/life experience within the community whilst shining a light on the incredible achievements of our young people. The success of this venture relies greatly on us being able to tap into the fantastic skills, knowledge and expertise possessed by our parents, carers, staff, governors and the wider community.

We are creating a working party to make sure the shop benefits from the amazing skill set held by our families and friends. A number of our parents have already signed up, but it's not too late to get involved. Please do let us know if you would be able to offer any advice or support by clicking on the link below. You will then be able to complete a short questionnaire (no need to do this if you have already done so).

<https://forms.office.com/r/XRWYhzBuCs>

Our next shop Working Party meeting will take place on Wednesday 6th October at 10.30am in the school shop (or via Zoom if you prefer). If you would like to join us please contact Christina in the school office on Office@castle.cambs.sch.uk for more information.

Squirrels Class News

Squirrels have already had a busy term. After reading our story 'Mr Wolf's Pancakes' we have been busy trying out different pancake recipes in cooking. We are also practising making easy snacks to make at home, like cheese sandwiches, and using the equipment safely.

Squirrels have also loved being back in the pool and splashing around.

Walk for Rowan

The team at Rowan have asked us to share the following:

Rowan is a Cambridge-based charity supporting adults with learning disabilities. Since 1984 we have offered a safe, creative, and enriching environment where the arts are used as a tool to bring people together and tackle social exclusion. We develop the skills and potential of our students while improving their happiness, health and wellbeing. We also deliver much needed respite to families and carers. We'd like to invite you to take part in our annual sponsored [Walk for Rowan](#).

Wolfson Class News

Year 13 and Year 14 students from Wolfson have started going to CRC in Huntingdon. They have been learning how to find their way around the building, meeting staff there and finding out about the CRC 'Values'.

Students are looking forward to starting a craft project at CRC next week. They represented Castle School beautifully and looked after each other really well. What a team!

Sportworks

Our inclusive Short Break programme, designed for children and young adults with a disability. The day is packed full of sport, games and fun activities to provide your child the ultimate healthy, fun and safe experience

**EVERY SATURDAY
10:00 - 12:00PM**

Castle School,
Courtney Way,
Cambridge,
