Castle School
Cambridge

Dear Families

Another very busy week in school has culminated in a Wacky Hair Day in aid of Children in Need. Amazing hairdos galore – wonderful!

Please remember that we have a staff training day on Friday 26th November when school will be closed to students.

We have been very busy with the final preparations for the grand opening of our Christmas Pop-Up Shop on 29th November. Thank you to our incredible team of volunteers, staff and students for making this happen. We would really like to have a mannequin in the shop – please let us know if you can help.

School Photographer

The school photographer is due to be with us on 23rd November, an event that we sadly had to miss

last year. We very much look forward to seeing the results.

Lion Learners

Last Friday we had a visit from the Lion Learners as part of this half term's Maths focus. Claire came to show us many different types of animals and our pupils asked all sorts of Maths questions about their features, habitat, and lifestyles. Pupils enjoyed the tactile experience!

Warwick Class News

Warwick class are having a very productive term. Highlights have included many trips including those to the Powerhouse games at Cambridge University, the Cinema and our Cambridge city visit as part of our English OCR qualification.

These trips have run alongside our regular curriculum, which includes weekly gym sessions at Cambridge University and our weekly work experience.

We are also taking OCR qualifications in Maths, English, Art, PE and Humanities.
