Privacy Notice for Pupils

Under Data Protection Law, individuals have a right to be informed about how Castle School, Cambridge uses any personal data that we hold about them. We comply with this right by providing privacy notices to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, Castle School, are the 'data controller' for the purposes of data protection law.

Our Data Protection Officer is [The ICT Service](#) (see 'Complaints' / 'Contact us' below).

The personal data we hold:

Personal data that we may collect is essential for the school to fulfil its official functions and meet legal requirements. Personal data that the school may use, store and share (when appropriate) about students/pupils includes, but is not restricted to:

- Support student/pupil learning
- Monitor and report on student/pupil progress
- Provide appropriate pastoral care
- Protect student/pupil welfare
- Assess the quality of our services
- Administer admissions waiting lists

- Carry out research
- Comply with the law regarding data sharing

Our legal basis for using this data:

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation.
- We need it to perform an official task in the public interest.

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way.
- We need to protect the individual's vital interests (or someone else's interests).

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn. Consent will usually be sought from Parents or Carers.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information:

We collect and generate pupil information in a variety of ways including, but not limited to:

- Registration and application forms
- MIS Data collection
- Via Common Transfer File or secure file transfer from a previous school
- In the process of carrying out our public task

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data:

We keep personal information about students/pupils while they are attending our school. We may also keep it beyond their attendance at our school to comply with our legal obligations of special education legislation. We keep personal data according to the Retention Schedule set out in the Information and Record Management Society's Toolkit for Schools. This can be found [here](#) .

We do not share information about pupils with any third party without consent unless the law and our policies allow us to do so.

Youth Support Services Agreement:

Providing information to providers of youth support services and the right to opt out.

Once pupils are aged 13 or over, school is required by law to pass on certain information to providers of youth support services in the area. This is the local authority support service for young people and 13 to 19 in England. We must provide both the child's and parent's name(s) and address, and any further information relevant to the support services' role.

However, if the child is over 16, the child (or the parent(s)) can ask that no information beyond names, address and date of birth be passed to the support service. Please see below on how to opt-out of this arrangement.

The school will not give information about pupils to anyone outside of the school without consent unless the law and rules allow us to.

The school is required by law to pass some information about pupils to the Local Authority and the Department for Education (DfE)

To Opt Out

If parents/pupils wish to opt out of this arrangement, please inform the Office Manager at Castle School by emailing Office@castle.cambs.sch.uk

Transferring data internationally:

Where we transfer personal data to a country or territory outside the United Kingdom, we will do so in accordance with Data Protection Law.

National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census and early years' census.

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department for Education and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.

Parents and Pupils' rights regarding personal data:

Individuals have a right to make a **'subject access request'** to gain access to personal information that the school holds about them.

Parents/carers can make a request with respect to their child's data where the child's age (usually under the age of 12) or Special Needs mean the child is not mature enough to understand their rights over their own data, or alternatively where the child has provided consent for them to make the request.

If a valid subject access request is made, and if we do hold data about the pupil, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you or your child

- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

Parents/carers also have a legal right to access to their child's **Educational Record**. To request access, please contact the Office Manager at Office@castle.cambs.sch.uk

Other rights:

Under Data Protection Law, individuals have certain rights regarding how their personal data is used and kept safe, including the right to:

- Object to the use of personal data if it would cause, or is causing, damage or distress.
- Prevent it being used to send direct marketing.
- Object to decisions being taken by automated means (by a computer or machine, rather than by a person).
- In certain circumstances, have inaccurate personal data corrected, deleted or destroyed, or restrict processing.
- Claim compensation for damages caused by a breach of the data protection regulations.

To exercise any of these rights, please contact the Office Manager at Office@castle.cambs.sch.uk

These rights can be exercised by a Parent/Carer on behalf of a child on the same basis that they may make a Subject Access Request.
