Castle School  
Cambridge

Dear Families

We launched our annual “Wonder Week” in school this week. Students (and staff) have had an amazing time full of fun, engaging and creative activities including visits to museums and galleries as well as projects within school working with visiting artists and a choreographer. Ladybirds and Corfe classes have provided more information about their Wonder Week accomplishments below.

The Castle Community Shop is very nearly ready for its grand opening next week. We are delighted to share a picture of the newly re-vamped shop window resplendent with Castle name, livery and logo. We very much look forward to seeing you there.

Every year we ask parents for their views on Castle School. We would be very grateful if you could spare a few minutes of your time to complete the

Parent Questionnaire which can be accessed by clicking on the link provided. Your answers will be anonymous, of course, and will inform us as we take Castle School forward.

## Castle Tea Towels

Looking for a Valentine’s present? If you missed the opportunity to buy Castle School tea towels, please be aware you can obtain one directly from school by emailing Colin Rudwick [CRudwick@castle.cambs.sch.uk](mailto:CRudwick@castle.cambs.sch.uk)

There are three tea towels available, one each for Primary, Secondary and Sixth Form containing self-portraits of students and staff and costing £5.00.

## Corfe Class News

During Wonder Week Corfe class have been having fun engaging in different creative activities.

We started the week with art, where the students enjoyed learning how to create a picture using the wet felting method. They also enjoyed decorating masks using their individual style and imagination to draw and colour different patterns on them.

The students also did some printing and designed book bags with their favourite characters on.

We were very lucky to visit Stansted airport on Wednesday where the students learned about its history, watched planes take off and land, took part in various activities including some role-play as pilots and airport police. The highlight of the visit was seeing the dogs from the Police canine unit in action! The students even got to pet the dogs afterwards if they wanted to.

We finished the week with an amazing trip to Kettle's Yard.

## Ladybirds Class News

Ladybirds class have had an amazing wonder week. We creatively made picnic bags, blankets, went shopping for our picnic food, made our sandwiches and had a lovely teddy bears picnic on the field.

We also had a fabulous time painting our canvas with the Kettle's Yard artist Hilary, it was great fun!

Best wishes

*Chris*
