Dear Families

World Book Day yesterday saw our pupils and staff dress as favourite book characters, they looked amazing. Massive thanks to everyone involved for supporting our super day of reading (both in school and at home), getting involved and sourcing such wonderful costumes.

Owl Class News

Owl Class have been working hard finding games and activities that motivate and inspire us to share space and resources and to play with others. We are always making new friends and relationships through laughter and shared experiences.

We are developing our imaginations and communication skills by telling stories through role play with small world toys and by creating structures using construction materials. Our Maths and English skills are also being developed through use of positional language, adjectives and sequencing. What a wonderful time we have in Owl Class!

World Down's Syndrome Day – 21st March

To support World Down's Syndrome Day on 21st March we have colourful pin badges available (see above) for £1 each. These can be purchased by parents and carers from either the school reception or shop.

PE News

Students have been very busy at school undertaking many physical activities this term including cycling, PE lessons and sports clubs.

We are also moving forward with our Cycling Project and should have 12 brand new two wheel bikes arriving very soon.

In addition, students are now able to access many more inter-school sporting events. Balmoral had

particular fun this week visiting Cambridge University to undertake the Powerhouse Games.

Best wishes

Chris
