Castle School  
Cambridge

Dear Families

Another beautiful week of Spring sunshine and our outside spaces are ablaze with stunning blossom (some even have eggs). It has been lovely to see everybody engaging in some amazing outdoor learning.

Thank you for your patience if you have been effected by the class closures, we are trying to keep these to a minimum but we need to ensure the health and safety of our pupils.

We bid a fond farewell to Janice who will be retiring at the end of term to spend more time with her family. We will mark her 40 plus years in Special Needs with an event in the summer.

The clocks change this weekend, so remember to 'Spring Forward' on Sunday.

In Chris's absence we are coordinating a group of volunteers to work in the school shop. If you have time on a weekday between 10 and 2.30 please let the office know via [Office@castle.cambs.sch.uk](mailto:Office@castle.cambs.sch.uk) This will enable us to put a rota together for after the Easter holidays.

## Kings Class News

In Enterprise sessions, Kings are working together to create beautiful wrapping paper to sell in the school shop. We are using our maths skills to create lovely spring patterns, all to be sold at a reasonable price!

In the library sessions we are enjoying an increasing range of books. We are reading a new bag book called Pirate Adventure. A lovely sensory story that we are exploring independently and with hand under hand support.

This term we are reading Maybe... by Chris Haughton for our Maths in Stories.

We are learning about position and shape as well as learning to read simple words and sentences, using our colourful semantics to reinforce our understanding.

### Easter Raffle

Thank you to everyone who has purchased tickets for our Easter raffle draw next week. If you haven't had the opportunity to buy some yet there is still time. It's quick and simple to do by visiting our JustGiving page via the QR code, or follow the link:
