Dear Families

Welcome back to what promises to be a busy and exciting Summer Term, we are currently finalising the dates for the summer events, these will be ready to share with you next week.

This week we have been enjoying the sunshine, which has given us all a lift. It has been a pleasure to see the pupils hard at work, particularly in our outdoor learning spaces.

Unfortunately Chris continues to be unwell, so is not back in school, we wish him a speedy recovery.

As of the 1st April, (not April fools) we are moving into a new phase called "Living with Covid". New guidance has been published which will be shared with you via a separate letter. Please continue to keep your child at home if they are unwell, and in particular, have a high temperature or flu-like symptoms.

Balmoral Class News

A great return for Balmoral class. We started the week with bikes and a lovely outdoor PE session with Kevin. We played rounders and practiced our throwing and catching skills on the field in the sunshine.

Our topic this term will focus on recycling so we have started collecting various materials to reuse in artwork and homemade musical instruments.

Tom's Amazing Swimming Success

Me and my family did swimming and raised £1150 for Great Ormond Street Hospital. I swam 5000m in March for this. 1200 m was on one day.

By Tom, Sixth Form Student, Wolfson

Bees Class News

Bees have been enjoying their sensory story linked to our topic of Space.

We have been taking part in our sensory story 'Aliens Love Underpants' and focusing on looking and reaching out to explore.

Comic Relief Red Nose Day and Children in Need

Students from Tintagel counted the monies raised for Red Nose Day and Children In Need. They then went to the bank and paid in all the money received from both events.

We are pleased to report that Castle School raised £46.00 for Children In Need and £77.50 for Comic Relief Red Nose Day.

Best wishes

Anne
