Castle School  
Cambridge

Dear Families

We are very much looking forward to welcoming students back this afternoon as they return from their Duke of Edinburgh expedition to Derbyshire. It sounds like they had a wonderful time, more news next week.

We were pleased to welcome Toni Bailey, Assistant Director - SEND and Inclusion at the Local Authority. Pupils and staff made him very welcome, he even had a hand massage in Ladybird class and joined the judging panel watching Tom perform a song. He was very impressed with our provision and thanked everyone for their hard work.

## Corfe Class News

Over the past three weeks, Corfe class students have been taking part in French lessons.

The students had lots of fun while learning the French words for different colours. Everyone engaged with a range of different activities that allowed them to learn through movement and

experiences. If you see someone from Corfe don't be shy and say 'bonjour'!

## Ladybirds Class News

Ladybirds have had a busy week! We are really excited at the prospect of spending summer looking after our wildflowers and tomato plants.

We are especially thrilled about our new mud kitchen made by volunteers!

### Thank you to our Volunteers

We were delighted to welcome a team of able volunteers from The Royal Society of Chemistry this week. They very quickly went to work with paint, brushes and tool kits and did an amazing job improving our outdoor spaces.

The newly created mud kitchen has already been enjoyed by pupils (see Ladybirds class news above) and we all love our beautifully painted Castle, fencing and Castle School logo.
