Castle School  
Cambridge

Dear Families

Another busy week in school and a welcome return to some sunshine and warmer weather.

Now we have moved into the warmer weather please remember to send in sun cream with your child (labelled with their name) and a sun hat.

The team from Monach Farm visited Castle on Thursday and all our pupils (and staff) had the opportunity to meet the animals they brought with them. We were delighted to meet and stroke the goats, lambs and miniature ponies.

We are all very much looking forward to marking the Queen's Platinum Jubilee with a series of class-based parties in school on Thursday afternoon. Pupils may wear something red, white and blue on the day, should they wish to do so.

As we are coming out of Covid, we are looking for ways of further involving our families in the life of the school. We will be sending out a short questionnaire to our families via Microsoft teams. We look forward to hearing your thoughts and welcoming you back into school.

## Trinity Class News

This week Trinity had a visit from Castle School's artist in residence, Georgia. She was getting to know how we like to create art so that she can work with us on a project next term.

We all had a brilliant time experimenting with special pens you can only use with a partner, drawing on Perspex, and using torches to create light effects through our drawings. Thank you Georgia!

## Dragonflies Class News

Dragonflies class were delighted to meet all the farm animals which visited Castle on Thursday.

We very much enjoyed stroking the soft lambs and goat kids ...

and even had a go at milking a wooden goat!
