

Pupil's

Acceptable

Use

Policy

- I will only use the internet and email when an adult is in the room.

- I will not download videos or games from the Internet

- I will keep my passwords 'Top Secret' and not use someone else's

password or account.

- I do not need to get upset if a website I want to use is blocked by our filtering system. It has been blocked to protect me.

- If i see something on a screen which upsets me, I will always

tell an adult.

- I will not use my last name, phone number, address or where I

go to school in messages or on social media and online games sites.
