

Spring is definatly in the air, this courtyard makes me smile every morning as I come into work .

The highlight of my week was to see Bees and Deal interacting with their new sensory outdoor learning area, they had even invited some past staff to share the experience with them.

### Parent Questionnaire

Thank you to all parents who have completed the survey, if you have not done so already, please do so using the link below.

### Kings Class News

Students in Kings are continuing to develop their dough skills within our Duke of Edinburgh Bronze Award.

We are using our fine motor skills to make shapes and remembering to ask for help when we need it.

We are working to use tools safely.

When we have made our fantastic shapes we use our number knowledge to make super sentences about our work.

## Ludlow Class News

We have had another busy and fun week in Ludlow Class. We are currently working on our OCR exam certificates in English and Maths and Simon is working us hard to complete our coursework.

In better news in PE our new topic is Athletics which is great fun! So far we have done a lot of running and learning how to throw a javelin.

We have also been out on our community trips and enjoyed our weekly visit to Milton Road library as well as making ice cream soda's in our Life Skills lesson.
