

Half Term seems to have arrived very quickly and here we are at the midway point of the Summer Term. We will be back on Monday 5th June 2023.

Welcome back to our Silver Duke of Edinburgh group who had an amazing expedition to Derbyshire this week. We look forward to sharing the pictures.

Foxes Class News

Foxes had a busy term and we did so much that it is hard to list everything!

This term we returned to our weekly shopping trip to Newmarket Road Tesco. We used a shopping list and bought the ingredients for our Touch and Taste sessions. We love going shopping, looking around in Tesco and finding things of interest! We are learning to stay with the adults and help them find the items, then scan and pay for them using bank cards!

We made some Bird feeders in Forest school using Lard, Birdseed and Pine Cones. It was a very interesting texture and we all enjoyed exploring

the mixture. We hanged them up and guess what, the birds ate them all up a week later!

We made some amazing progress in Pet Therapy. Bertie, the therapy dog has been visiting us. We are now happy to stay in the classroom when Bertie is in and we are also happy to stroke Bertie!

This term we celebrated Eid, the Coronation and we also had a few birthday parties too. We love parties in Foxes, especially love being together, enjoying the party food and dancing!

Plant a plant with your child day

The Fields had some parents visit today to 'a bring and plant flowers session'!

The Bladder & Bowel UK Lunchtime Learning

Precise and comprehensive education with
Davina Richardson
Children's Specialist Nurse RGN/RSCN

The Bladder & Bowel UK Lunchtime Learning topics are condensed into one hour sessions providing you with all the relevant learning objectives at a fraction of the time and cost.

Healthcare professionals and others who work with children will benefit from focusing on children's bladder and bowel issues, including bedwetting, constipation and soiling, healthy bladder and bowels and toilet training.
