### Deal Class News

Deal students love going in the pool, they work on anticipation when familiar songs are played and try move their arms and legs independently when being moved around the pool. They also use their feet to push off the side of the pool and move along in the water.

## Deer Class News

This week Deer class had visits from artists Hilary, Sandra and Francis. They came over and gave us a brilliant art lesson using our creative skills making carnival head dresses to wear. We decorated each one of them with lots of tactile materials of our choosing for tomorrow's Arbury Carnival!

Toby made a Darth Vader hat 'It was really good, it's not done yet, after I put the black paper on it, I left it to dry'

Alice's hat was called Moondust's Sports Day Crown. Betsy made a butterfly mermaid hat. Will made a Power Ranger hat and Caden made an Octopus hat. Cole made a Dog Man paper character. Lily made a shiny hat.

The Arbury carnival will have lots of different stalls as well as 'Mythical creatures' which are what Deer class are looking forward to seeing!

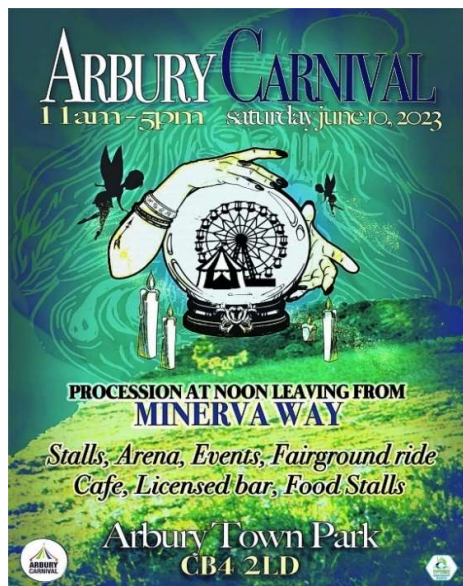

## Castle School Shop

We are busy in the school shop on Wednesdays and Thursdays with our work related learning groups. Please come and say hello, donate or even consider volunteering.

The Carnival is always great fun and we would love to see you there. This year's theme is Witches, Wizards and Mythical Creatures, so don your fancy dress and come along for a fun-filled afternoon!

Total Arts is Cambridge Junction's fortnightly arts group for disabled young people. Total Arts engages and empowers young people through high quality artistic activity led by the young people and supported by professional artists. In 2017 for the first time, Total Arts organised a screening at the Light Cinema Cambridge of their own films and the films made as a result of a term-long film-making project Cambridge Junction embarked on with Spring Common Academy. In 2018 the first full Film Festival took shape. Every year, Cambridge Junction work with multiple groups of young people with complex needs to produce original short films, which are showcased at the festival.
