

Dear Families

We are very much looking forward to welcoming parents and carers into school on Tuesday for Parents' Evening. This event will be a wonderful opportunity to celebrate the progress your child has made this year and will link to their summer report.

We had a very full and fun week with some sports events, a Fun run and Sensory Circuit Slalom and a visit to Midsummer Fair.

A very big thank you to The Mayor of Cambridge who attended our first Fun Run event and to Midsummer Fair with support from the Rotary Club for opening their grounds to our students.

We are looking forward to our Better Together performance on Monday. Tickets are still available details are below.

Churchill Class News

We have had a busy year in Churchill. The class have been settling into their new classroom in Chesterton for their formal lessons. They all enjoy working in the calm, relaxed atmosphere of the class. We start the day in small groups with a topic of conversation to help everyone settle before our maths and English lessons. The highlight of the week for some, is the humanities lesson on a Tuesday afternoon, learning to use independent research techniques. We have also congratulated Mitchell upon his 3-star Sports Leader award. Well done, Mitchell, a well-deserved award. We have had two students, Perry and Harvey, spend a week with the Calvert Trust and our leavers have just completed their D of E expedition to Derbyshire. Please don't forget

the book and DVD sale on Monday raising funds for Winter Comfort.

Wrens Class News

This week Wrens class took a trip to Monach Farm. This was our first outing, and we had an amazing time! We enjoyed the rainy bus drive, and the sun came out in time for us to explore.

We milked 'Geraldine' the wooden Goat, pretended to be farmers on our tractors, met Bilbo the lamb and his friends and much more. Thank you Monarch Farm for a wonderful time.

Fun Run

Castle held it's Fun Run and Sensory Circuit Slalom on Wednesday. The Mayor of Cambridge came into school to start the race. Some students completed 5 laps of the field and others manouvered a tricky slalom circuit.

All money raised from this event will go towards the memory garden in school.

Please see the link below to sponsor the event.
