

Dear Families

On Monday 10th July we begin our transition work with our pupils and staff moving to their new classes. There has been a great deal of preparation but we do appreciate this is a big time of change for many of our young people and their families. Please keep in touch with us and we will support you as much as possible. Information shared with you this year may be slightly different to what you have previously received, this is due to the industrial action which has fallen on our training day.

Prom 2023

The prom took place Wednesday afternoon with brilliant sunshine to add a festive feel to our 'Alice and Wonderland' theme. Fish and chips, mocktails and ice creams. A truly super afternoon for everyone.

Leavers BBQ

We had a fantastic time at our leavers BBQ. We wish all of our leavers and their families, the best as they explore pastures new.

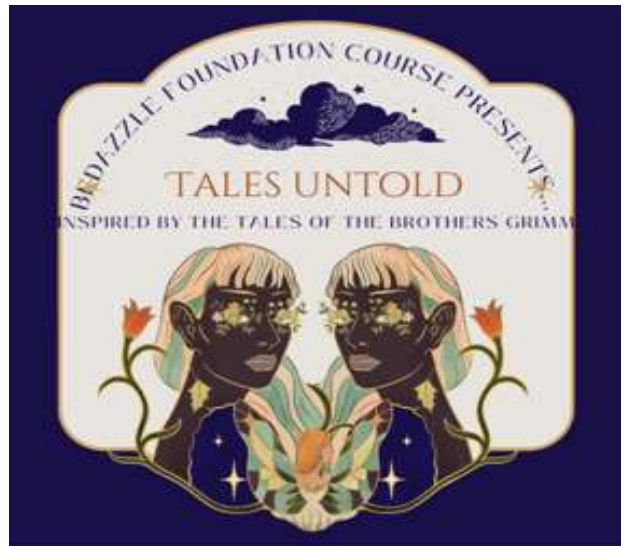

Squirrels Class News

In Squirrels this term we have been looking at local habitats. We have really enjoyed visiting Milton Road Primary School pond to explore what wildlife lives there. We have used nets to find newts, boatmen and water snails. In our maths we have been looking at capacity and making milkshakes and playing with water to enhance our learning. This term we have had lots of Birthdays to celebrate and Squirrels love a good party. We share our favourite foods and dance.

Kings Class News

We were really excited today to have Bedazzle perform a collection of tales inspired by the Brothers Grimm. After a stunning performance, we had a Q&A session, during which we found out how long the performers had rehearsed their piece and how Bedazzle supports its young adults and creativity.

Best wishes

Charlotte
