

Dear Families

We have reached the end of our first week of transition and pupils are settling into their new classes, routines and friendships.

By now you will have received details of your child's September class group. If you have any questions, please do get in touch in the usual way. The benefits of an early transition are enormous and will help us get off to a smooth start in September.

## Carisbrooke Class News

Carisbrooke had an amazing few days together as a new class. We spent lots of time getting to know each other, playing together and taking part in various activities. Everyone has settled in nicely and is enjoying their time with their new friends.

We have been busy listening to stories in the Library or in class, interacting with each other in circle time and specialist rooms, exploring our lovely yoga garden under the sunshine whilst having a morning sensory circuit, taking part in more creative lessons such as Art and Music and experimenting with different sensory materials.

Drumming this week was everyone's favourite and we loved tapping and rocking to the rhythm.

## Sports Leaders

These are just some of our newly qualified sports leaders.

After filling in an application form, having an interview and finally attending training they are now ready and excited to take primary lunch time clubs in September.

Well done to our amazing sports leaders.

## Summer Camps

Limitless is launching a specialist SEN Holiday club exclusive to students of Castle School who are eligible for Holiday Activity and Food vouchers.

## Memory Garden News

Thanks to kind donations from parents and several local companies we have raised enough money to install the memory garden.

It is due to be created by Timotay Playscapes in August on the playground. We look forward to showing you photos of the completed memory garden next term.

## Para Powerchair Football

Huntingdonshire FA are proud to be able to relaunch The Hunts Para Powerchair Football Session which is starting at 5.30pm and Finishes 6.30pm on the 11<sup>th</sup> of August 2023 at Sawtry Village College in an assessable Sports hall. Powerchair provision is a completely mixed offer, allowing both youth and open-age players from all genders who have a physical disability to engage in the game we all love. Also opportunity for people to create new friends and to become a part of a team/family.

Should you or know anybody who could be interested in attending some upcoming taster sessions which will be delivered by specialist coaches, please signpost people to or if this is for yourself or on behalf of someone to this online form which is a short expression of interest form for the first session.
