

Dear Families

In this, our final newsletter of the year, I would like to wish everyone a peaceful and happy summer holiday.

Thank you for all your amazing support over this year, we really could not have achieved all that we have without your fantastic help. We all look forward to welcoming our wonderful children back to school in September and greeting our new starters on Tuesday 5th September.

Bees Class News

Bees have been experimenting with sensory paint. They used essence added to paint so they could smell the paint as well as see the marks they were making. We used orange, lemon vanilla and mint.

Dover Class News

This year Dover class, have transformed the old chicken coop with some planters and cover crops. They've harvested and prepared rhubarb with biscuits, observed the changes from seed, including growth of fruit. We'll be sowing and harvesting more crops in the new academic year to build Our World knowledge!

Castle School memories 2022-23

Here are a few memories from our school year.
