

Dear Families

Another busy week has gone by and it is great to see all the classes producing such excellent work.

It is lovely to see the students involved in a huge range of activities, including getting changed beautifully for PE, swimming in our lovely pool, making words, number lines and planning for the future. The school is full of students learning and having fun.

Please make sure students come to school with weather appropriate clothes so that they can enjoy outdoor spaces now that the days seem to be getting cooler.

Robins Class News

Robins have settled well into the new school year, we have been creating food and art together. Some of us have been going to the shop to get our cooking supplies and sharing then with the friends in our class.

Our topic is all about me so we have been painting using our hands and feet to create pictures of ourselves and our surroundings.

Carisbrooke Class News

We have had our usual action packed week. In our phonics session on Thursday we have been exploring the Letter sound 'S' the students listened to some phonics 'S' themed songs and then explored some items beginning with S.

Today we have been creating different models using Lego at the end of our Lego therapy session too.

The poster features a background image of people participating in a 1km walk/run event. At the top, it says 'Power2Inspire Inclusion through sport PRESENTS'. Below that is the event title 'SuperSensory1K FULBOURN' with a large orange banner for '2023'. The text describes the event as 'A 1km walk, wheel or run, through 5 sensory stations, in partnership with' and includes the 'HeadtoToe charity' logo. At the bottom, it specifies the location 'THE EDGE CAFE, FULBOURN HOSPITAL', the time '10.30AM', the date 'SATURDAY 23RD SEPTEMBER 2023', and a registration link 'REGISTER NOW at power2inspire.org.uk'. A circular logo with 'SS1K 2023' is also present.

Best wishes

Charlotte

Flu Immunisations – Tuesday 26th September

The School's Immunisation Team will be with us on Tuesday to carry out the flu programme with students from Reception Year up to and including Year 13. Letters have been sent home inside your child's bag. If you would like your child/children to take part, please return to the school office no later than Monday 25th September.
