

Dear Families

Thursday 5<sup>th</sup> October was World Teacher Day.

**Thank you** to all you amazing Castle Teachers!

We see you, going above and beyond for your students to ensure their needs are met and they can learn in the best way possible.

### Parents Evening Monday 9<sup>th</sup> October

Staff are looking forward to seeing you at the Parents' Consultation Evening on **Monday 9<sup>th</sup> October 2023 between 4.00pm and 6.20pm.**

The consultation will last for 10 minutes, please follow the link below to indicate your preferred appointment time and we will do our best to accommodate your wishes. Time slots will be on a first come – first served basis, so please do this as soon as possible and by Friday 6<sup>th</sup> October at the latest.

### Edinburgh Class News

In Edinburgh class we have been making the most of the warm weather and spending lots of time outside. At school we had been using the accessible bikes in the playground. We all really enjoy the feeling of the wind on our faces while we ride around. As well as being a lovely sensory experience using the accessible trikes allows our students to work on their physical targets.

As a class one of our goals is to explore new environments and learn to manage new sensory experiences. Trips out of school are a great chance to work on these skills. Last week we had a lovely walk around Milton country park. On our

walk we were looking out for wildlife and listening to the different nature sounds we could recognise around us. Everyone had a lovely time!

Squirrels class have been super busy so far this half term and we are so proud of how they have settled in and the progress they have made.

Well done, Squirrels!

## Squirrels Class News

Squirrels class have been having lots of fun learning about the story 'The royal Picnic' written by Lisa Thompson which you can find on reading eggs.

In Attention Building we have been smashing some pretend cakes and having a turn to be the king. The children have loved taking turns during our story to bring the items to the party and listening carefully to the story for the prompts.

## NCS Trip

The sixth form pupils had an amazing time on the NCS residential. We did lots of indoor and outdoor activities and learnt many new skills.

Best wishes

*Charlotte*
