

Dear Families,

The wet weather has not dampened our spirits today as we donned all manner of headgear to Support our Children in Need non uniform day.

I do hope we are going to see you over the next weeks at some of our traditional festive occasions.

Badgers Class News

In Badgers class we have had an incredible start to the half term. We have just begun our community outings. Badgers really enjoyed visiting Histon Park last week in the sunshine and playing on different play equipment. This week, we enjoyed visiting Milton Road library. We saw how the books were organised and chose a selection of books to read.

In Our World, to celebrate Diwali we made fireworks in a jar. We predicted what we thought would happen and loved seeing the fireworks explode before our eyes.

In Forest School, to celebrate bonfire night, we created an imaginary bonfire out of different sticks and leaves. In the creative carousel, we have really enjoyed using the green screen to produce 'Badgers News.'

We have enjoyed being weather presenters, engaging in role play and have even reviewed different books we have read over the previous half term.

Pembroke Class News

Pembroke have been writing postcards and letters. We have used different sized brushes and gigantic brushes to mark make our address and messages.

This week, we created our design for an Easter postcard *and* our school calendar contribution.

We mark made using our hands independently and with support to create a class design.
