

Dear Families,
Congratulations to everyone that took part in the half marathon last Sunday, especially to our amazing teachers and friends.
The highlight of this week in school was World Book Day which we celebrated yesterday.

Robin Class News

This week in Robins we have been looking at reactions in science, we made fizzy lemons and limes and listened to it fizzing.

We also had a go at doing spring yoga. We have focused on listening and feeling our breath and stretching and holding poses.

We have also had a wonderful time exploring new and exciting books as well as dressing up for world book day.

World Book Day – Thursday 7th March

World Book Day saw our pupils and staff dress as favourite book characters, they looked amazing. Massive thanks to everyone involved for supporting our super day of reading (both in school and at home), getting involved and sourcing such wonderful costumes.

Grafham Water

Some of our year 14s went on an overnight residential at Grafham Water earlier this week organised by NCS. We enjoyed canoeing, going on an electric power boat, bush craft, climbing and archery. The focus was on becoming independent and learning life skills as well.

Safeguarding

We have been reviewing our safeguarding measures around the building in terms of site security. Next week we will see the installation of CCTV and signs regarding this within our main reception and foyer area. We want to be proactive in our protective measures. If you wish to see our policies regarding this, please do not hesitate to contact the office.
