

Dear Families,
Please remember that Monday 6th May is a Bank Holiday and we will be back on Tuesday 7th May.

This week some of our Y11 students took their Art Exams. Well done for all your hard work. Thank you to all staff for your support.

Dragonflies Class News

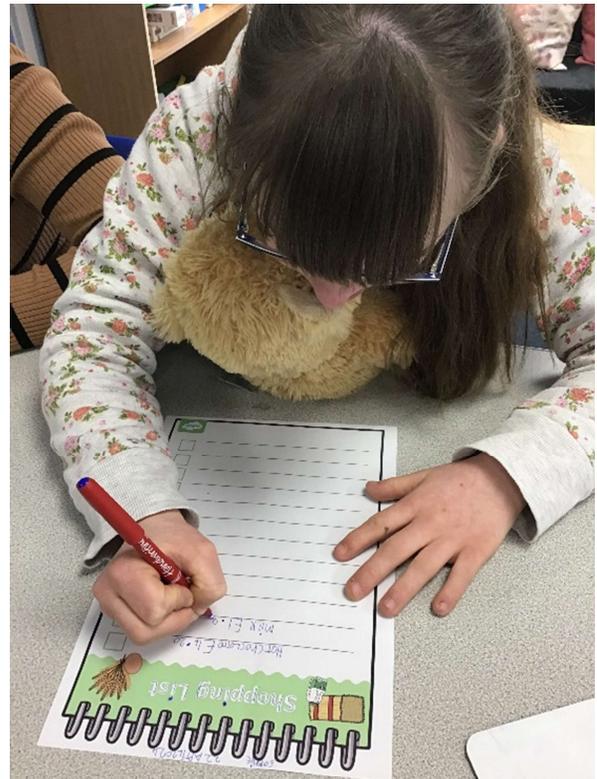

Dragonflies were extremely happy that the sun finally came out this week! We had a lovely morning at the park; sliding, swinging, exploring and climbing.

Wolfson Class News

This term, pupils from Wolfson continue to work towards their OCR life and living skills accreditation. As part of our 'preparation for adulthood' unit, Wolfson pupils have been learning to write a shopping list whilst setting a budget for various shopping items. Pupils are then required to travel to the shop safely, then locate and pay for food items using their shopping list. On our return to school, pupils enjoyed making their hot chocolates and toast together, whilst having the opportunity to socialise with their classmates after a successful trip into the community.

Post 19 –SEND Festival

Today we took several KS4 and 5 pupils to Cambridgeshire county council SEND festival to look at opportunities for our pupils' post 19. We had a great time speaking to lots of organisations as well as fun doing team building games and bowling.

Wicken Fen
