

Dear families,

I hope you all had a wonderful week. It has been another busy week here at Castle.

We continue to have groups accessing learning offsite with our DoE Bronze, doing work experience and community outings.

Foxes Class News

Foxes have been having such a busy term. We did so much that it's hard to list everything! In English, we dived into our Sensory stories. Both stories have boats in, and they are about traveling and changes. We used our communication aids to make sentences, made paper boats and had a boat race!

This term we celebrated a few of our friends' birthdays. Foxes, love birthday parties. We especially love being together and really enjoy the party food and dancing!

We continued our weekly shopping at Milton Tesco's. We are getting better at following the shopping list and buying the ingredients for our Touch and Taste sessions.

We love going shopping, looking around in Tesco's and finding things of interest! We are learning to stay with the adults and help them find the items, then scan and pay for them. As you can see, some of us even explored a new play park this term!

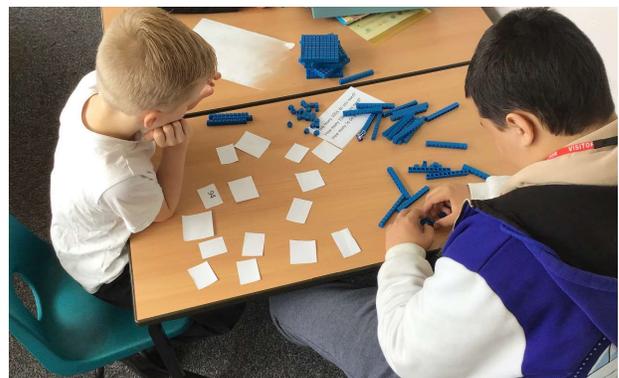

Pembroke Class News

Pembroke Class are having a fantastic summer term. We have been working on interaction and communication skills through dance using the floor and scarves. We have also been able to share some of our dances with Edinburgh Class too.

Sixth Form

Some of our sixth form pupils have been volunteering at the Queen Emma School, they help the primary pupils there with reading and maths.

We really enjoy our hello tunnel as we start our session, and we have each chosen our own massage stroke as our hello. We make sure we warm up by stretching and explore the space around us.

Arbury Carnival

Thank you very much to Nicky, Lucy and every one who helped at the Arbury Carnival last Saturday.

We managed to raise £405.20

Pulled from the previously untouchable heights of Mount Olympus, Zeus is called to court to be held accountable. Has he wielded power with care and consideration, or callous disregard? His own divinity hangs in the balance, as he is challenged by gods and mortals alike.

This exciting new piece of theatre interrogates Greek mythology through a contemporary lens, using expressive movement and original writing.

The cast of neurodivergent and disabled performers are training on the Bedazzle Foundation Course (an inclusive drama school).

Always striving to reflect and challenge the wider issues in society, Bedazzle Inclusive Productions presents their latest work: Mythic Trials.
