

Dear Families

The School's Immunisation Team have been very busy today with students from Reception Year up to and including Year 13 administering the flu vaccine. If your child did not have the vaccination and you would like her/him to have one, please contact your GP surgery and they will be able to help you.

As the weather seems to be getting cooler in the next days, please make sure students come to school with weather appropriate clothes so that they can enjoy outdoor spaces.

Ladybirds Class News

In Ladybirds we have been settling into our new routine. We have practised our gross and fine motor skills when riding bikes and go karts out on the playground. We have also started to get to know our story 'Walking in the Jungle' and worked on matching symbols to the book and made animal masks in art.

Carisbrooke Class News

Carisbrooke class are slowly getting settled into their new routines. We are very lucky to have our own sensory circuit which is used every morning to help with regulation and get ready for the day. Our community outing has now moved to a

Monday afternoon and we have been going to the park; this has given us an opportunity to bond with our learners as a group which has been great. We are planning to do a day trip in the near future, and I will give details as soon as it is organised – watch this space!

School Triathlon

On the back of the amazing Paralympics this summer, Castle and The Fields will be holding its very own Triathlon.

A triathlon consists of 3 events, swimming, bikes and walk, run, wheelchair push, this will take place during lesson time and distances will be recorded. We have managed to get £500 sponsorship from 'Compare the Market.' This money will go towards all students receiving medals and certificates. Each child at Castle and Fields will also receive a meerkat cuddly toy.

More information regarding start date, etc, will be coming soon.

Macmillan Coffee Morning- Tuesday 24th September

Tintagel is hosting a coffee morning on Tuesday 24th September from 10am to 12pm.

We will appreciate some donations (cakes, biscuits ...), please remember we are a nut free school.

We would like to invite all parents to come and support with our fundraiser. No fundraiser is too big or small to make a difference and all profits raised will go directly to Macmillan.

Tesco Blue tokens

Castle School is one of the three charities that has been chosen and we need your votes.

When you shop at Tesco collect your blue token, this will allow you to vote for a great project in school, which is to buy a fully inclusive swing for our wheelchair users.

Please see below a list of stores taking part in the voting on our project:
