Castle School
Cambridge

Dear Families

I spent a very pleasant evening at Stibbington yesterday with our Year 6 students. They were busy toasting marshmallows and having a fantastic time on their first residential trip.

Many thanks to parents for allowing your sons and daughters to take part in this trip and also to our fabulous staff for providing our young people with such a great experience.

New Transport Arrangements

Thank you for supporting our new end of day arrangements which will speed up the way students' access their transport.

From Monday 8th October we aim to have all buses and taxis off the school site by 3.30pm. This should result in students being delivered home to their families earlier than they are at the moment whilst providing our class teams with valuable time to reflect on the day and prepare for the next.

Friends of Castle

We will soon be sharing details of a meet and greet coffee morning which will be taking place in school. Our aim is to re-launch the 'Friends of Castle School' group which will be looking at all the exciting ways we can work together to enrich the lives of pupils and families at Castle.

Corfe Class – DT News

Corfe class have been learning to drill big holes into acrylic sheets. This is part of a project on plastics, they will also learn how to bend the acrylic on a heat strip machine.

Students are going to use the skills learnt to make their own boiled egg holders.

They are thoroughly enjoying this work and we look forward to the product testing!

Squirrels Class News

Squirrels have been busy learning about patterns in Numeracy and looking at what the next colour will be. In our Literacy story 'Big Rain Coming' we have been learning about different types of weather and how to sign them.

In Cooking this week Squirrels have been making yummy chocolate crispy cakes.

World Rivers Day

The staff at Abington Woods have asked us to let students, their families and staff know they are celebrating World River Day 2018 with art, some music, crafts and a BBQ.

The event this Sunday will be a good opportunity for our students to see all their efforts in making this woodland so beautiful being appreciated by others.

@
Abington Woods
Sunday 30th September 11am till 4pm

Abington Naturewatch Group and Abington Woods Outdoor Learning Centre would like to invite you to an afternoon of activities in the woodland and along the edge of the River Granta.

An action-packed day is planned – to include such things as identification of birds and trees, sampling river life, art and photo exhibition, music and storytelling.

Family camping will be available on the site that weekend. Refreshments will be available.

Contact: abingtonwoods@gmail.com for more information.
Address: Abington Woods, Church Lane, Little Abington, CB21 6BQ

RaceRunning Taster Session
