

## Dear Families

The excitement about Christmas is growing, next week we will start to decorate school. We appreciate that for some of our young people this 'excitement' can be confusing and unsettling. We will always try our best to support all the young people who find this holiday period tricky.

We were lucky enough to be invited to sing a song for Star Radio which aired on Thursday morning- our learners performed a great version of 'Sleeps till Santa'.

Our Christmas events are listed below, watch out for the specific invitations from your Child's class.

## Foxes Class News

In Foxes class our learning has all been based around the story Goldilocks and the three bears. In our attention autism sessions, we have been taking turns to make porridge for the 3 bears, choosing the ingredients we want to add in and mixing the porridge. We have been getting creative in creativity, following instructions to make different bear themed crafts and exploring things associated with bears.

We have also been going out on our weekly community outings. On our community outings we have been having the opportunity to engage with the community, managing our self regulation whilst exploring new and unfamiliar places and learning social skills with our peers. We have enjoyed exploring lots of different parks within Cambridge and also have been to visit the woods like the 3 bears forest.

## Tintagel Class News

KS4 making a dolls house and Work-Related Learning group have been busy this term. They made two pallet tables for the staff room courtyard. They have made a pallet Christmas tree, and they are making a dolls house and dolls house furniture for Dragonflies class. If you would like to buy a pallet coffee table or Christmas tree, please get in touch and we will aim to make them in time for the Christmas Bazaar.

## 🎅 Christmas Requests 🎄

Our annual Christmas Bazaar is fast approaching. As part of this we will have a raffle, tombola, games, craft stalls, refreshments and a Father Christmas photo booth. We would love help with the following items:

Raffle & tombola prizes, bags of sweets for stall prizes, and second-hand books.

This year parents from the CSCA will also be running a teddy stall so would also love any teddies or cuddly toys you no longer need.

Wonderful crocheters/knitters - any homemade tree decorations would also be amazing!

If you can help at all with any of these items, please send them into school by midday Monday 9th December.

Please ensure they are clearly labelled 'For the Christmas Bazaar' so they don't get mixed up with donations for the school shop!

From next week there will also be a box in Reception for donated Bazaar items to be dropped off. Many festive thanks!
