

Dear Families,

It is nearly February, and I hope Spring is just around the corner, the days are certainly getting longer.

This week some of our families and colleagues celebrated Chinese New Year. We would like to wish them all the best in this joyful time.

Carisbrooke Class News

It has been a bit of a gloomy January but in Carisbrooke we still want to have fun! Some of our favourite activities are messy play, swimming and of course, our weekly trip to the park. We're looking forward to the spring for more outings!

NCS Trip

This week a group of sixth formers were invited by NCS on a 2 day / 1 night residential at Grafham Water. We enjoyed the climbing wall, crate staking / high ropes, archery, bushcraft and a morning on an electric power boat. We had an amazing time and are very appreciative to the NCS staff for

organising it all and the Grafham Water team for their wonderful hospitality.

Community Short Term Loan Equipment

Please be aware that parents are able to borrow, on a short-term basis, equipment that may make taking a holiday easier with their child's needs.

The process and equipment can be found here <https://send.cambridgeshire.gov.uk/kb5/cambridgeshire/directory/site.page?id=0T3Do4JhbeU>

Twilight at the Museums Go on an after-hours museum adventure! 17 - 23 February 2025

Twilight at the Museums is back! Museums across Cambridge will be opening their doors as the sun

sets for illuminated adventures this February half term.

Enjoy nighttime nature hunts, take on torchlit trails through the galleries, search for dinosaurs and twilight beasts, get hands-on with space-themed science, journey to the mysterious underwater realm of God of the sea Poseidon, and much more! All events are free or low-cost, and a mixture of book ahead and drop-in activities.

Find out more and book your place on the University of Cambridge Museums website:
