

Happy Valentines Day!

Today we celebrate Valentine's Day and the end of another busy school term with a themed school Disco for our Secondary and 6th Form students.

We have also seen a host of pink and red outfits worn by our learners and staff who have had the chance to wear non-school uniform clothes to mark the occasion.

We would like to wish all our families and staff a restful and joyful break and remind everyone that we will return to school on Monday 24th February 2025.

Dragonflies Class News

Dragonflies have really enjoyed The Three Little Pigs story this half term.

We have had lots of fun exploring materials and building houses out of bricks, straw and sticks.

We are super at anticipating what comes next and joining in with the huffing and puffing. There have been lots of pigs and houses to count and sorting big and small, heavy and light for our maths focus.

Trinity Class News

In Trinity Class this half term we have been looking at how to play Cricket in our PE sessions with Connie.

We have been learning how to bowl and bat through different games and drills.

While doing these we have been able to take part in ball games with our friends, looking at turn taking and communicating with our peers.

Exciting NEWS!!!!

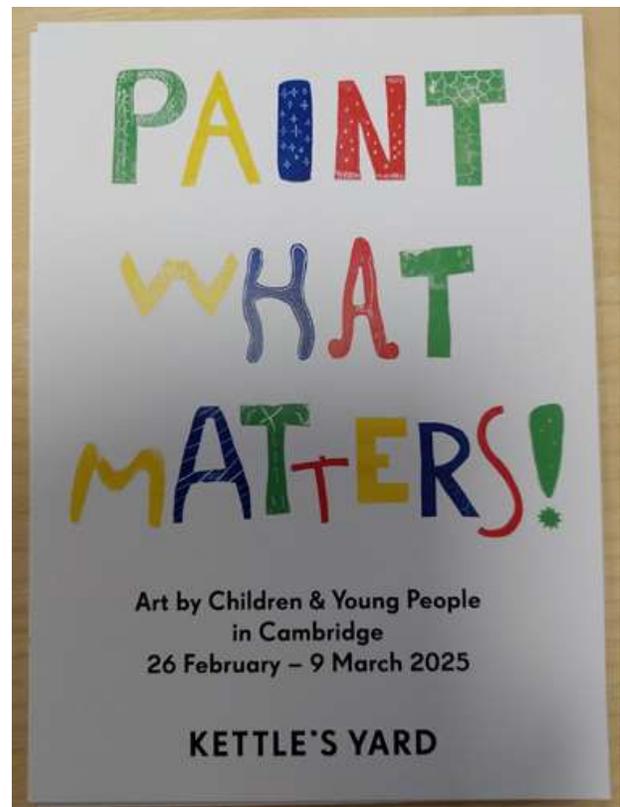

Paint What Matters

Some of our learners from Ludlow, Churchill, Darwin and Dover took part in a project with Kettles Yard called "Paint What Matters".

The students that took part have been invited to the private opening celebration on Wednesday 26th February 2025.

Their work will be exhibited at Kettles Yard, and members of the public are welcome to visit and view the exhibition between 27th February - 9th March 2025.

If you get the chance, please go along and see if you can spot our work!

This exhibition has been kindly supported by the De Reus Foundation and AstraZeneca.

We cannot wait to see our work on display!

Twilight at the Museums

Go on an after-hours museum adventure! 17 - 23 February 2025

Twilight at the Museums is back!

Museums across Cambridge will be opening their doors as the sun sets for illuminated adventures this February half term.

Enjoy nighttime nature hunts, take on torchlit trails through the galleries, search for dinosaurs and twilight beasts, get hands-on with space-themed science, journey to the mysterious underwater realm of God of the sea Poseidon, and much more! All events are free or low-cost, and a mixture of book ahead and drop-in activities.

Find out more and book your place on the University of Cambridge Museums website:
