Castle School
Cambridge

Dear Families

Another amazing week at Castle!

Thank you for your continued support for our new end of day transport arrangements which will take effect from Monday 8th October. Our aim is to have all buses and taxis off the school site by 3.30pm each day.

Letters have been sent home advising families that students who travel to and from school independently (or with their parents) will now enter and leave school via the 6th Form garden rather than the top playground.

On Monday there will be plenty of staff available to guide students, families and transport. Please let us know if you have any questions.

Stibbington

Our Year 6 pupils had a fabulous time on their Stibbington residential trip.

They roasted marshmallows, played with friends, ate lots of yummy food and learned through forest crafts.

Massive thanks to everyone for supporting this super experience for our young people.

Tintagel Class news

In Tintagel class we have been practicing our team working skills. We have been working in small groups to complete challenges and earn points.

So far we have completed maths challenges and topic quizzes, made Lego models and kept a balloon up in the air for as long as we could!

In the photo pupils have cut the longest continuous piece of paper they can out of an A4 sheet of paper.

Rebound Sessions in Bees

Some of our students in Bees have had the opportunities to work on their physical skills by taking part in Rebound Trampoline sessions every week.

We have a small trampoline that can be put up in class and students enjoy bouncing whilst being supported to stretch out or balance on their hands and knees.

We will continue to work on these skills over the term and look forward to seeing progress within our physical targets on and off the trampoline.

RaceRunning Taster Start Cambridge
