Castle School

Dear families,

Half Term seems to have arrived very quickly and here we are at the midway point of the Summer Term. We have had a very short, but very busy term with lots of exciting visits, visitors and activities. We are busy preparing for next academic year and more importantly transition and will soon be able to finalise and share plans with parents.

Information will come out shortly for our face-to-face parents evening next month which is scheduled for Monday the 30th June.

We look forwards to welcoming staff and students back to school on Monday 2nd June 2025 for the final part of the school year.

Ladybirds Class News

In Ladybirds this week we have been working on our fine motor skills.

We have been cutting, drawing and positioning rings.

Corfe Class News

This week, Corfe Class organised a fantastic Pokémon card sale to raise money for the school. The pupils did a brilliant job selling different cards and packs, clearly explaining what was on offer and confidently informing customers about the prices.

They showed excellent communication skills, engaging politely and enthusiastically with customers. They also put their maths skills to great use, handling money, calculating totals, and giving the correct change.

Well done, Corfe Class!

Light Year Workshop

Today Dover had the privilege of a 'light year' session, the aim of Light year is to encourage school children to get involved in STEM.

Today's session involved making a guitar and a musical shaker.

We would like to thank Light Year for choosing us for this event.

Shop Donations

We are collecting donations of good quality summer clothing, men's t-shirts, children's toys, CD's, DVDs, and games console games.

Volunteers

We are looking for volunteers to help with the creation of the sensory story-telling boxes for the semi-formal pathway.

Please contact Mhari Gallagher MGallagher@castle.cambs.sch.uk if you are able to help.
