School Uniform- Policy

We do encourage high standards of personal appearance. Teaching children dressing skills is an important aspect of school life and therefore we encourage all clothing to be practical and sensible.

Our policy is the voluntary wearing of school uniform.

Our uniform is simple and practical.

Sample sweatshirts and polo shirts are available at school.

Our uniform emphasises our feeling of belonging to the school community and a sense of identity for all of our pupils.

Our Uniform

It has been chosen to be simple and practical.

You can order uniform by visiting: www.yourschooluniform.com or choosing items readily available on the high street (logos are not a required element)

Preloved uniform

Uniform is not expected. Parents have the option to purchase uniform with our school logo or to purchase plain clothing of the correct colour.

If you have clothing with our logo which is no longer required, then please hand your freshly laundered items into the school office or place in your young persons' bag with a label.

Preloved items can be requested from your class teacher and is also available at parents' evenings.

We are not currently asking for money, but a voluntary donation is always welcome.
