

Dear families,

Just a reminder that a week tomorrow (Saturday 14th June) it is Arbury Carnival - if you would like to join the parade, please see the details in the letter sent earlier today. We are keeping everything crossed for improved weather as this week has certainly been very mixed!

We are very busy in school getting ready to share with our team and then pupils and parents class allocations for transition and hope to finalise these by the end of next week.

Another date for your diary is our parent consultation evening which will take place on Monday 30th June - details of how to book a slot will be out next week.

### Robins Class News

This week Robins class have practised measuring, stirring, mixing and kneading to make bread hedgehogs and part of their 'In the woods' topic. They watched the dough rise over the day, then created hedgehog shapes before baking and tasting them.

## Trinity Class News

In Trinity Class each week we have been taking part in cooking sessions linked to different celebrations and festivals. We have been able to explore a range of different foods, making a big mess while learning that food can be fun. We have been building up our skills using different cutlery and accepting help to touch new textures. Everyone has done a great job turn taking and sometimes eating something new.

## Ludlow Tennis

Ludlow began tennis training at Cambridge university lawn tennis club this week. Getting ready for Wimbledon season! We had a great time and thanks to the club for hosting us.
