

Dear families,

Just a reminder that tomorrow (Saturday 14th June) it is Arbury Carnival - if you would like to join the parade, please see the details in the newsletter.

The weather next week seems to be very sunny so please remember to keep an eye for signs of heat exhaustion or heat stroke (tiredness, dizziness, headache, nausea, vomiting, hot, red and dry skin confusion)- we will do the same while your children are in school and do what we can to keep the school as cool as possible. Remember appropriate lightweight clothing (e.g. shorts and T-shirt or summer dress), sunscreen and sunhats are recommended.

Deer Class News

We have been really busy learning in Deer class. We have been learning about animals and habitats through reading about Sir David Attenborough and his work with wildlife. We have also been thinking about ways in which we can help nature, such as cutting down on our meat consumption and single use plastic as well as planting more trees and litter picking.

We have also been enjoying our dancing, pet therapy computing, cooking and creativity lessons in school as well as our community outings to the local area. We are looking forward to Arbury carnival and have made some lovely hats to wear on the day.

Conwy Class News

This term in Conwy class, we are exploring our new storybook, "My Big Shouting Day," which the children are enjoying sharing and discussing. We are also practicing counting and collecting data in our math lessons while developing our number skills.

With the nice weather, we've taken some time to go to the park, where we have been able to play outside and enjoy the fresh air. It will be a busy and enjoyable month, full of learning and outdoor fun.

Arbury Carnival

Hope you are looking forward to Saturday. The weather is looking great! If you are planning to be part of the procession, we are meeting from 10.30am at the show ground.

Please see the procession leaflet that was sent via email earlier today.

Wishing you all a lovely weekend!

Best wishes,

Charlotte
