

Dear families,

As we move further into our Summer Term, we become busier than ever with lots of events and activities taking place.

We have several events taking place at school over the next week. Some of our Sports Days next week are on Tuesday 24th June and Thursday 26th June (Weather allowing!). We hope that you will be able to join us if your child pathway is involved.

Please remember to provide sun protection for your child. We recommend sending sunscreen in for your child which is labelled with their full name. Staff will assist, where necessary, applying it to areas exposed to the sun. Please also provide a sunhat. The amber Weather warning continues over the weekend and may extend into next week.

Foxes Class News

Foxes have had a great start to our last term. This term our theme is the outdoors and we have enjoyed exploring the sights, sounds and textures of summer using our story 'Mr Maize summer days'. We have also tried and made some different summer picnic food. This week we have been enjoying the warmth of the sun and have had plenty of opportunity to cool down with water.

One of our favourite times of the week in Foxes is our weekly swimming lesson with Connie.

Over the year our confidence in the water has grown and we have been learning vital water skills such as safe entry, floating, swimming on our fronts and backs and putting our heads under the water.

At each waypoint, school, the post box and garden we checked against our map stick so locate where we were.

Pembroke Class News

This summer term Pembroke class have been following a structured walk to Milton Rd library garden. As we walked, we talked about the sensory highlights, allowing the students time to explore sensations and begin to engage with the environment around them.

In the garden we worked on our mindfulness. We focused on:

Touching found objects that we could hold or wrap our fingers around, such as small stones, leaves or seeds that could be picked up.

Feeling the heat of the sun or a cool breeze on our bodies. Noticing the feel of different surfaces underneath our feet or wheelchairs.

Sound as we listened to the different sounds or voices on the walk and in the garden.

Arbury Carnival

Thank you for your incredible efforts in making this year's Arbury Carnival procession so memorable.

It was wonderful to see the noise, colour and vibrancy of this year's event.

We managed to raise £555.95 in our tombola stall. Thank you to everyone who helped and participated.

RSC - Playmaking Festival 2025

RSC Associate Schools Programme presents The Playmaking Festival on Tuesday 8th July. This year's play is King Lear.

'King Lear decides he is too old to continue as king, he plans to split the kingdom in 3. Each of his daughters will rule a third of the kingdom but first they must declare how much they love their father. When Cordelia refuses, he banishes her from the kingdom, and she leaves and marries the King of France. The kingdom is left to his eldest daughter Goneril and his middle

daughter Regan and King Lear soon realises he has made a terrible mistake.'

The performance of King Lear will be performed by the students of:

Castle School

Stanground Academy

Gladstone Primary

Ormiston Bushfield Academy

St John Fisher

City of Peterborough Academy

Tickets are available to purchase from ticket source:

Clothes Appeal

If anyone is having a clear out of clothes we could do with some to replenish our stock. We are particularly looking for T shirts, shorts and joggers that will fit teenagers (girls and boys) and adult sizes.

Thank you very much for your help.

Wishing you all a lovely weekend!

Best wishes,

Charlotte

Charlotte Whysall – Headteacher
