Castle School
Cambridge

Dear Families

Greetings from School at the end of our first full week. I am pleased to report that our new class of Early Years pupils have settled in well after their delayed start and everybody is thrilled to have them in the school.

The Friends meeting is this Monday at 2pm and I hope that we will have a good turnout for the first meeting of the year. Apart from developing the playground we are keen to start planning CastleFest for the summer term. More details to follow!!

As usual after our return to school the weather appears to be improving again so I hope you all make good use of the sun this weekend and take advantage of there being slightly less news about Brexit!

Flu Immunisations 2019/20

The immunisation team will be with us on 1st October to carry out the school-based nasal flu vaccination programme. This year the programme is open to pupils from Reception to Year 13.

A registration letter has been emailed to parents. To give or decline your consent for your child to be immunised please use the link:

<https://tinyurl.com/y62vfv3d>

The deadline to do this is 24th September.

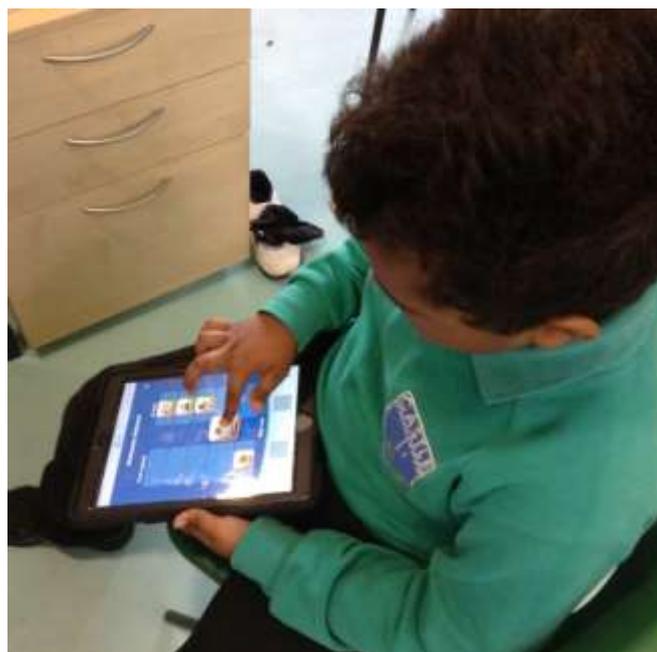

If you would like further advice or information, or do not have internet access and would like your child to be immunised, please contact the School Immunisation Team: **Tel: 0300 555 5055 Option 1**

Hedgehogs News

Hedgehog class have been working on their communication and social interaction, and what a success this has been.

Children are asking to play with other children in the class and choose the activity they wish to engage in. We have also introduced electronic schedules to promote independence and timings of activities, which is working really well.

We like to finish our day with a bit of yoga so we are calm and focused for the trip home to our families.

Carisbrooke News

Carisbrooke enjoyed exploring in Forest school. We began our session with a message story and then moved independently around the area to see what we could find.

Best wishes

Chris
